Regulation (EU) 2016/425

Module B, EU type-examination

Issue 1

PPE Product

Dupont® (logo) Tyvek® IsoClean® model IC183B DS, clean processed, sterile non hooded protective coverall manufactured from spunbond polyethylene material with inside bound seams, with cuff, ankle and waist elastic, zipper and zipper flap. This coverall is available in twelve nominal sizes

It is certified that the manufacturer's technical file and the above mentioned PPE have been assessed and found to meet the applicable Essential Health and Safety Requirements in Annex II of Regulation (EU) 2016/425 Personal Protective Equipment

The following have been applied:

EN ISO 13982-1:2004 + A1:2010 (Chemical protective clothing providing protection to the full body against airborne solid particulates) for Type 5, limited wear life clothing;

EN 13034:2005 + A1:2009 (Chemical protective clothing offering limited protective performance against liquid chemicals) for Type 6, limited wear life, full body protection;

EN 14126:2003 (Protective clothing against infective agents) for Type 5-B, 6-B, limited life, full body protection.

In addition the PPE satisfied the requirements of ISO 16602:2007/Amd.1:2012 (Protective clothing for protection against Chemicals) for Type 5: Chemical protective clothing providing protection against airborne solid chemicals and Type 6: Chemical protective clothing with "limited protective performance against liquid chemicals".

In addition with one exception the PPE satisfied the requirements of EN 1073-2:2002 (Protective clothing against particulate radioactive contamination - Non-ventilated clothing) with a performance classification of TIL Class 2. The exception is that clause 4.2 specifies that the minimum puncture resistance should be class 2, but the fabric used has a puncture resistance classification of class 1.

This certificate is issued on the strict condition that appropriate checks on manufactured PPE, as detailed in Article 19 (c) of the Regulation are implemented and maintained while the model is in production.

Certification is based on technical file reference: Tyvek IsoClean IC183B DS, April 2018

SGS Reference Number UK/CRS 237434.

This certificate remains the property of SGS United Kingdom Ltd to whom it must be returned on request.
